Profile

A paragon of ingenuity and a motion graphic animator focused on dynamic visuals and interactive game development. With expertise in Adobe After Effects, Character Animator, and Unity, I craft engaging animations and immersive gaming experiences. My background in UI/UX design ensures a user-centered approach, delivering both visually stunning and intuitive projects. Driven by creativity and innovation, I excel in bringing powerful ideas to life

Experience

Motion Graphics Intern, *Digital Egypt Pioneers of initiative*   2024 Jun – 2024 Oct

During my training in the Digital Pioneers of Egypt initiative, I gained expertise in animation, motion graphics, and video production. I worked on numerous projects and mastered industry-standard tools such as Adobe Illustrator, After Effects, Premiere Pro, Audition, and Character Animator. This experience allowed me to develop strong skills in animation, video editing, and sound design.

Education

Bachelor's Degree, (FCAIH) *Faculty of computers and information systems and artificial intelligence, Helwan University*   2020 – 2024   Helwan, Egypt

Grade: (Very Good)
Major: Information Systems
Minor: Computer Science

Skills

Motion Graphics: Skills
- Animation Principles: Keyframing, timing, and easing.
- Design Software: Adobe After Effects, Illustrator, Photoshop, Character Animator.
- Audio Editing: Adobe Audition for sound design.
- Video Editing: Adobe Premiere Pro for post-production.

Design: Skills
- UI/UX Design: User-centered interface and experience design.
- Prototyping Tools: Figma.
- Illustration: Adobe Illustrator, vector design.
- Visual Storytelling: Creating visually compelling narratives.

Game Development: Skills
- Programming: C#, C++, JavaScript.
- Game Engines: Unity, Unreal Engine.

Projects

DEPI Advertize motion video
(After Effect,illustrature, miro, ElevenLabs)
Video advertise the Digital Pioneers of Egypt initiative and the fields it offers

——

Summer Holiday Motion Video
(After Effect,illustrature, Audition)
A motion graphics video that encapsulates the joy of a summer holiday by the seashore. It features dynamic visuals of sun-soaked beaches and crashing waves, highlighting the thrill of jet skiing across the sparkling water. Through fluid animations, vibrant colors, and an uplifting soundtrack, the video evokes nostalgia and invites viewers to immerse themselves in the beauty and excitement of summer adventures by the sea.
